Thanks. there is a huge problem w Tempo.

For the first time in the six years we have been publishing, the sales team hasn't been able to sell one page.
Since I hear that the size of the paper is based on ads, I am not even sure that it will publish.
If that happens, this is one of the stories that I would hate to see die.

You mentioned that you thought this might be a good Pulse story.
Can you try to place it? Or, shall I talk to Katherine?

I just hate for all your hard work, and the good story not appear in paper.

PS
Alé (accent on the e)
